

FINANCIAL VERIFICATION

I, undersigned, confirm that I have access to funds of at least \$700 USD to be used if necessary during my J-1 program. I understand that my stipend may not be sufficient to cover all of my living expenses every month. There may also be unexpected expenses which would require access to additional funds.

I also understand that I may not engage in any other forms of paid work for any company during my J-1 program besides that listed on my DS-2019, regardless of my stipend.

I understand that I am responsible for meeting my financial commitments for the duration of my J-1 program.
